

David Oppen

October 3, 1959 - June 25, 2020

On Thursday, June 25th, 2020, David Joseph Oppen passed away in Old Bridge, NJ at the age of 60. The son of Joan (Butula) Oppen and the late Elwood Oppen was born in Plainfield, NJ and attended Madison Central High School ('77) and Middlesex County College. He is remembered with love by his daughters, Kimberly Oppen and Elizabeth Pogue, son, Michael Oppen, brothers Peter, Michael and Paul Oppen and former spouse and dear friend Kelly Oppen. Further survived by cousins, nieces, nephews, and many more friends and relatives.

Playing baseball in high school and in the United States Over Thirty Baseball League, Dave was one of the top players for the Middlesex A's. He established Dave's Appliance Service at the age of 20, and solely owned and operated this successful appliance repair business for 40 years. Dave was a skilled guitarist, awful dancer, and a loving father. He enjoyed a good guitar riff (preferably Duane Allman), watching the Mets, beer and chicken wings with friends, and a good soak in the tub. He was a loving father to his three children and provider for those who needed him. He will be missed.

Private services will be held on July 13th, 2020. In lieu of flowers, donations to Eric Clapton's Crossroads Centre are appreciated.

“ We became friends the first time we met at Middlesex County College (1978?). Taught me how to play guitar, I thought him how to sail. We did a lot together and always had fun.
He will be truly missed and remembered.

“ We were so sad to hear this. About a month ago Steve and I watched a video of a party we had years ago with Dave there. He was always smiling and a lot of fun. Rest in peace Dave and condolences to Kelly and the family with Love from Steve and Venita
