“ Rick and I wish we could be with all of you to celebrate the life of this amazing woman. She was truly a one of a kind force with more love and spunk than anyone we knew. Her laughter and joy were always contagious and every moment spent with her seemed like a party. Our holidays and special events had a little more sparkle when she was there. Janice, Lisa and Helena, her love for you was evident in every aspect of her life. You were all so blessed to have such an incredible relationship. Richie, I can still see that dashing young man sweeping her off her feet- which you managed to continue to do her entire life. We send you all our love and heartfelt condolences and thank you all for the wonderful memories.

“ So many great times and memories shared throughout the years. Looking back and taking for granted then but realizing now all the hard work and sacrifice that my aunt and uncle made over the years in keeping up with family traditions. There was always a welcome mat in front of their door and more so during the holidays. Their house was a bridge of joy uniting all parts of our families. I can still see my aunt, during Easter, preparing all the food for everyone and setting a beautiful banquet table. Always happy, always smiling. It was always a joy to be in her presence. For all the barbeques, get-togethers, holidays, let me say "Thank You" to my Aunt Louise! (Mrs. Hospitality)  
Love your nephew,  
Charles

“ How deeply sadden I am to hear the loss of my dear friend. Louise has been a good friend to me throughout my life. We met when she began martial arts and quickly became close friends, and practiced our forms together. I have and will always treasure the times we've spent together; studying martial arts, having quiet lunches, and family celebrations. I was very proud of her, and was so happy to be part of her accomplishment of achieving her 2nd degree black belt. Louise always made me laugh and brightened my day. She will forever be in my heart.

My condolences to Rich, Janice, Lisa, Helena and their families. She will be truly missed.

Your friend,

“ Louise worked with us at pocket full of therapy, part time for about 25 years. We could always count on her to be there and to brighten everyone's day. A favorite memory: she would challenge any young person to a popbead contest, who could package the most in the fastest time. Louise always won! She would ask anyone if they were registered to vote, then tell them who to vote for. She kept us up to date on the latest health article she found or natural remedy. She would spoil us with home made food and treats and was always very proud to share pictures of her large and close knit family. She will be greatly missed.

“ It always amazed me at how much energy she had and truly lived life to the fullest. I will miss her dearly as she was always with us all these years for family events. I loved hearing stories about you girls and the previous love she had for you reminded me of my mother's love. Heaven will certainly be a more livelier and loving place .

“ I met Louise when she moved into the Plaza Grande almost 15 years ago, in building two, third floor, same as me. She was always a lovely woman, a good neighbor, and very well put together. She looked and acted much younger than her age, and I was quite impressed that she played tennis.

She was very proud of her girls, her grandchildren and great grandchildren, and was very happy when they came to visit. She seemed to have a reputation within her family as being a very good cook and she must have been, because there were a lot of Sunday suppers. I enjoyed her Sunday suppers as well (even though I didn't attend them) because it sure smelled great in the hall .

Rest In Peace Louise, Rest In Peace. May your memory be for a blessing.
