“ To the Polizzi family my deepest condolences. Rich always treated me with respect and was fun to be around as we had many friends in common from the local 3 days. A real gentleman and smart elevator mechanic. He will be missed.

“ Richie was a close family friend of our family (The Anastasio Family) he grew up with my mom and her brother and sisters in Brooklyn from when they were children. They had the best stories and adventures together. Richie would give his shirt off his back for anyone. The bond he had with our family was amazing. My favorite story I always hear was the wonder bread story. Our heart are truly broken. Our love and condolences go out to Linda ,Tara and Richie.

“ I worked with Rich for many years at KONE but only met him face to face a few times. When we did meet, it was like seeing an old friend. Rich would go out of his way to help resolve something for a customer. Truly a great man and am so sad to hear of his passing.
