

## Sook Kam Tsang

January 22, 1920 - September 12, 2015

Ms. Sookam Tseng was born in the province of Fujian, China on January 22 1920. After she married Kan Sin Kui, they moved to Myanmar, where their two oldest sons were born. After the war, they moved back to Xiamen and had their third son. Currently the two older sons reside in Hong Kong. The eldest two sons both have two daughters and one son each, and the youngest son has one daughter. Mrs. Kan took care of all the grandchildren, especially Chi Ying.

Mrs. Kan immigrated to United States in 1988, and lived with her youngest son for nearly thirty years. She cooked, took care of the household chores, and brought up her granddaughter during those years when she was still in good health.

Mrs. Kan was an expert in embroidery, well known for her beautiful and elegant designs of nature such as flowers, peacocks, and trees. She once embroidered an elegant bedspread with 168 red roses and green leaves.

Although Mrs. Kan did not have much schooling, she was strong-willed and did not allow any hardship to become an obstacle. She sacrificed all her life to her children and grandchildren. Her strong character and benevolent kindness set an example for many. She was hospitalized twice over the years, once to remove the gallbladder, and the other for quintuple heart bypass. Pastors and elders came to visit her at her sick bed and introduced Jesus Christ to her. She was again hospitalized early August of this year due to heart failure. Pastor Lam presented the gospel to her again, and she in turn affirmed her believe with utterances of "I believed in Jesus" and "Jesus, help me". She returned to her heavenly home on September 12, 2015 at 8 a.m. peacefully in the arms of our Lord.
