“ *I wish there was more I could have done or more I could have said to help you. No matter where life took us, you always stayed connected with me and watched out for me. I know that you will continue to do so from above. I know you're at peace now, we all do. That is the only peace I have through all of this, but I miss you, I will miss you until I see you again. I love you uncle Al, you had such a caring heart I'm going to miss you so much...
