“ I am very sad to hear of the death of my uncle Jr. Although miles kept our family apart, my uncle made a lasting impression on us all. He was a very loving man, he loved his children very much. In this time of great loss always remember what we all have gained by having such a wonderful man in all our lives. Although he is no longer with us physically, his spirit remains in all our hearts. I love you uncle Jr. One day we will all be together in heaven as a family again. Love Anthony Giardino.

“ My deepest condolences to the entire Grana family on the loss of their mother, Laura, and now their father Al. I remember the great work they did as one of the originators of the Baker's Federal Credit Union--- loans were provided to many who, in many instances, would not have been able to obtain a loan. They both helped many many people. I, personally, worked with Al on the "finish up" shift on the #2 bread line at the East Brunswick Bakery for years. There was never a dull moment working with Al as he had "old school" experience mixed with the modern technology incorporated into the baking business. He was a great union brother and I will miss him. God bless Laura and Al as they are now together forever.

“ *Our condolences to the Grana Family. We know you are at a great loss, your mother Laura and your father, Alfred leaving you so soon. We last saw them at St. Peters Hospital during one of Laura treatments. We know how much this loss means to you. We are thinking and praying for all of you that God lets you know, beyond any doubt that He's holding you close to His heart. That's the very best place to be.*
