“ At one point in my life I worked for Mr. V and his sons Alfredo and Antonio at Best for Less co. Mr. V was a hardworking and generous man, and always treated me like family. I will never forget his words to me “Steve, whatever you need I will do it...I’m there for you.” I still worked for his sons Alfredo and Antonio after he completely retired, but Mr. V always asked about me, as I did for him. He always showed everyone how much he cared. Antonio, Julie, and I now work with Peter Lee for Need Supply co after the merger, but we carry the memory of Mr. V and his company with us every day. I owe Mr. V a debt of gratitude for everything he has created and everything he has done. He will never be forgotten.
Farewell my friend. 🌹
