Dr. Allan Hewitt will always be remembered as a caring person. He inquired at all times about all the members of my family and even of my friends whom he may have only met just once. He also offered medical advice when he was able to. He kept in touch with the culture and happenings in Trinidad, his country of birth and loved most of our local foods and would be happy when anyone can take black pudding to the US for him. He will be dearly missed. He is at peace. May he rest in eternal peace. Condolences to his wife Viven, son Andre, grandchildren, siblings Brian, Anita, Colleen and Jacqueline and his extended family and friends. From Esther Dianne Rajpaul

My Dear Uncle Allan, I thank you and Aunt Vivene for always being there for me when I was in college (especially Thanksgiving). I shall miss all our long conversations when we talked about everything, and I deeply regret not being able to visit you. I shall miss your sense of humor and infectious laugh. You were an outstanding Godfather, father, grandfather, brother and uncle and will be sorely missed. I know you and Daddy will be together again which gives me some comfort.

My deepest condolences to Aunt Vivene, Andre, and to the rest of the family. May God grant you comfort and peace during this time.

Love Always

“ *A beautiful service, a beautiful family, a beautiful life well lived. Dr. Hewitt, thank you for being such a support for those of us at Dale Carnegie fortunate enough to be connected with you and Mrs. Hewitt through Andre. I will always be grateful for your kindness and warmth when I first met you and Mrs. Hewitt at Andre's Engagement Party, and we delight in how Andre so reflects you both in his passion, his caring, his dedication - and his giving it his all every day. May you rest in peace knowing you have left a tremendous legacy in Andre. Andre's loss is ours, as well, but we know you are at peace and we will do our best to support Andre, his family, and Mrs. Hewitt in this difficult time. “ *Condolences to Vivian, Andre, Brian, Colleen, Jacqueline and Anita.
We would always remember Allan as a very caring individual. Andy
and I (Susan - Linda's sister) remembered meeting Allan at parties
at Brian's home. He would always ask about our elder son - Erland.
He was always interested in his career and wanted him to be very
successful in whatever he pursued. Allan was always willing to give
advice on any medical issues anyone of our family had. Thank you
Allan. We know that you are in a better place now. May your soul
rest in eternal peace.*

Steadfast true blue good Samaritan

“ *Allan was such a caring person. He cared for people more than for himself. He always wanted to know how I was doing and about my health issues. He loved people. He was truly a man of God and warmly accepted all the prayers I sent to him. He was like a father figure to my daughter Linda
I will miss him dearly. He is safe with the Virgin Mary and with Jesus. May he rest in peace.*

“ The first time I met Alan over 40 years ago at a friends wedding to his cousin,Holder. I will always remember his good humour and welcoming embrace. When he heard my name was Wayne De Four he immediately said that we are family/Cousins.

I will always remember the way that Alan's smile that lit up the room. Ha gad a way of making everyone around him laugh and fell comfortable. He used to call my daughter Miss Organic Chemistry. Rest in Eternal Peace my dear Cousin. You will always be remembered.

“ God saw you getting tired Allan, when a cure was not to be. He closed his arms around you and whispered "it's time to come with me".

Our hearts are so broken, you fought so hard to stay with us. But when we saw you sleeping peacefully, free from pain we could not wish you back to suffer again.

We love you dearly and you will always be in our heart. Sleep well Allan until we meet again.
