“ *Dear Lina, Your mother and mine were friends through Fairfax Symphony, and because of that, your dear father was a great benefactor of my Max Aronoff Viola Institute in Washington State. I am saddened to learn just yesterday (1/20/15) of his passing and send you and your family my deepest condolences. I would welcome the chance to write directly to you if you care to email me when you have time. Your dad was a fine man. Joyce Ramee (Seattle Wa)*
