“ I would like to take this time to share my thoughts about AJ and to express my sincere sympathy to her sons and their families. Although we were miles apart and have only seen each other a handful of times in the past 35 years, each conversation and visit with this beautiful woman was memorable. She had a wonderful smile, a great sense of humor and she was artistically talented. I remember so vividly her brother Jack (my husband) building the dollhouse and her excitement when it was finally completed and she was able to decorate the interior. She was gracious and so accepting of me and always made me feel loved and part of her close family. To my dear sister in law, I bid a fond and loving farewell and I hope to see you again someday. To Bobby, Jeff, Steve and their families, I am so very sorry for your sadness and huge loss, God has blessed you all with a wonderful Mom, Grandmother, and role model! Love and prayers, Donna.
