“ *Deepest Sympathy to Angelo's Family.
Very saddened to learn of his passing..worked with Angelo many years ago at the NJDCA..would see him every so often at a Code seminar over the years..always enjoyed talking with Angelo..always a gentleman with a quick wit and a great attitude, we always had a laugh..even over technical subjects..one electrical engineer to another.
May God Bless Him..
May the Good Lord Bless, Comfort and Protect his family.

“ I wanted to share the following reading I read during Grandma Lucille's (Townson) funeral today, 1/11/2016. I hope anyone reading this uncovers the reason why...

A reading from the book of Wisdom - 3:1-6,9

*"The souls of the just are in the hand of God,
and no torment shall touch them.*

*They seemed, in the view of the foolish, to be dead;
and their passing away was thought an affliction
and their going forth from us, utter destruction.
But they are in peace.*

*For if before men, indeed, they be punished,
yet is their hope full of immortality;
Chastised a little, they shall be greatly blessed,
because God tried them
and found them worthy of himself.*

*As gold in the furnace, he proved them,
and as sacrificial offerings he took them to himself.
Those who trust in him shall understand truth,
and the faithful shall abide with him in love:
Because grace and mercy are with his holy ones,
and his care is with his elect."*

“ *Uncle Angelo,*

Whenever we'd see you for holidays at Auntie Mila's, you'd always be sure to hear how we're doing and make us laugh. While always the funniest, you were also the warmest; the life of the party, you lit up the whole room and made everyone feel like family. We haven't all been able to see you the last few years, but we'll all sorely miss you. You've died too young. You're an unforgettable person, and we'll always call and remember you as 'uncle'.

“ *Angie, I always enjoyed playing golf with you. You were very caring person; to your family, to your brothers, and to your friends. You were lots of fun to be with on and off the golf course. I will surely miss you my friend. Your memories will always stay in my heart. May you rest in peace with our Creator.*

“ Angelo or Angie', as he is better known by friends, excelled in almost any task he set his mind to. He was a good golfer, a good father, an excellent husband and a loving brother among 8 siblings. He was my friend and I loved him dearly. I shall remember him in the best of times and his graciousness and Faith in the bad times. He will always be part of my prayers while he sits with God in heaven.
