“ To my beautiful Aunt - Although I did not get to see you often, I have fond memories. You were my "Olivia DeHaviland". My father, your one and only brother, loved you very much and always had a kind and loving word about you. He would say that you were like a delicate flower. I bet he was right there at the Gates of Heaven to greet you with that little smirk on his face. I remember your love of cats and how we could not visit often because my father was so allergic to them. Please give my dad a big hug. Peace in Heaven Always.
