“ I spoke to Annie as Luanne FaceTime Mari to check on things. Annie was speaking with Luanne and I asked how she was feeling. Annie said "I'm Ok", I danced a little and we laughed a little. I said Annie, you're so lucky surrounded by all this love. This was a family that came together for their dear Annie. She smiled, I will take that memory, and those beautiful big eyes!! Rest in peace. My condolences to King family and extended family. Warmly, dancing Judy.

I knew Anne for years while working at Macy's. She was always such a sweet person. I remember seeing her in the employee lounge when we'd be on break & we'd talk about our day or she'd come in & show me some bargain she just purchased. I have very fond memories of her. She will definitely be missed. Sending my condolences to her family.
