“ I remember Mrs. Lockhart from having had Allie in German class, but also working with her behind the scenes at Sayreville Main Street Theater. She was always so sweet and helpful. I am very sorry for your loss. Frau Costa

“ My sympathies to Jim and Alexandra and the whole family. My dear friend...I cannot tell you how much you will be missed. Although we share many memories, I would be remiss to not tell you all about our Christmas cookie bake....for over 30 years we gathered at my home, me, Ann Marie and Melissa. This filled my home with the spirit of the season and my 4 children and husband knew it was the kickoff of Christmas....I will continue to have Randy make "clam dip" and tell my kids to "eat my cookies". Not sure how, but we will keep the tradition going and always keep you there with us on that special day!!!
