“ *My dear cousin, you were thought about often, prayed for alot, and loved always. I have admired the relationship you shared with your son and know that that was the most important part of your life which brought you the most joy. When I think of you I will remember your quirky facial expressions, your laugh, your style and your handsome smile. May you be met with open arms by our Lord Jesus Christ and may you be at peace. I love you and will miss you. Until we meet again.*
