Grandma. I love you. You added so much sparkle to our lives. You made us all feel loved. You helped us laugh. You laughed easily at yourself. I could tell there were things you didn't understand about me or my life, but I NEVER felt judged by you - you were curious, inquisitive, and always loving in all our conversations. You were a listening ear. A cheerleader. You loved me so well. Thank you. I'm so glad that my daughters got to know you. They loved video-chatting with you. We will all miss video-chatting you. I'm so sorry you didn't get to meet Tony. I'm sorry I couldn't come to NJ at the end. It was just too much for me right now with the baby so young. I hope you understand. I love you and will miss you until I see you again.
