“ *Barbara was always one who smiled and ran to say hello to me! She was always beautiful and would chuckle at the littlest things. I'll always see her smile when I think about her! I regret not keeping in better touch after I moved out of state. May she rest peacefully and know she was loved deeply by her family and friends.*

“ *It breaks my heart to hear of Barb's passing. She was my long time ago friend. Even though we lost touch over the years I still thought of her from time to time. When I think of her I think of all the good times we had when we were in our early 20's. I loved her so much and her family was always so kind to me. I spent so many nights at her house with both of us sleeping in her twin bed with the fan on (which because because of her, I still keep my fan on every night while I am sleeping). Her Dad would always make the most amazing breakfasts for us and sometimes late at night she would make us those perfect eggs over easy when we came home from a night out with the bands. I remember her perfect hair and how her Dad would always buy her that extra strength spray hairspray. She always dressed so nice, we shared so many laughs. and her family were like my family because I came from another state and had no relatives here in NJ. Today when I woke up I immediately thought of her so I looked her up on Facebook and found out this horrible news. I can't help but think that it is her way of letting me know she passed. I just wished it would have happened a couple days earlier so that I could have attended her services. Rest in peace Barb in a place that is far better than here. No more pain or suffering only love and happiness with those who have went there before us. We will all see you again one day.*

“ *Barbara Morgan will be truly missed. Had many of fun and great times hangin with my friend that I lovingly knickname Skinny Mulligan. She loved and laughed about this knick name just like she did with all the friends she made. What a genuine and nice person that was robbed of her life way too soon. God bless and peace be with Barbara and family.*

“ *The Morgans are the most hospitable family that I know and everyone is welcome at their home. The family bond is extremely important to you which is why you unite to celebrate all milestones together even with your extended family in Missouri. They sent your a family a beautiful video collage of all of your memories together to see how you looked at different stages and times of your life.*

Barbara, since we were both very young our lives have been intertwined through my friendship with Denise. I considered you my little sister which is why we would tease you and sing "Ba Ba Ba, Ba Barbara Ann" and you would cry even though it was your middle name. When you heard your mom call Denise Louise, Daniel Richard and Barbara Ann, you knew you were in trouble. I have enjoyed a lifetime of sleepovers with Kevin's BLTs and french toast breakfasts and family vacations to Pennsylvania and Wildwood.

There was always laughing and a good time had by all when we would be celebrating an occasion with Kevin at the grill taking requests for burgers and hotdogs and you enjoying your tomatoes. Oh how you loved breadsticks. Spending time with your cousins Christine and Tracy during the summer and we would always do something exciting like going to beach where Christine accidentally flushed her bathing suit down the toilet and had to wait for one of us to go to the bathroom looking for her. Great Adventure and watching the boat shows and the Sons of Shillelagh picnics. The landscape has changed but remember sleigh riding down the hill behind St. Bernadette's Church.

Some older memories that come to mind are when Denise and I would babysit you and Danny and I would run outside and bang on the windows screaming thunder/lightning and you would get scared. Denise and I would say that we were on television commercials at night when you were asleep and you always just missed us. When we were down the shop all eating french fries and the table fell and you grabbed your fries and kept eating like nothing happened. When you took Denise's favorite baby doll and scribbled all over her

face. Your dad taking us to Kennedy Park and I tried to do the see saw with you but for some reason you were always up in the air and I was down in the sand. When I was a teenager and fit into your pants and twenty years later you could slip right into my daughter's pink football shirt. You were lucky enough to have a body like a model and a beautiful appearance to take amazing pictures for your portfolio.

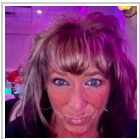

More recently the good times at Ed and my wedding, Christine and Tracy's weddings where you caught the wedding boutique and Paul and Denise's wedding. Being Denise's Maid of Honor and throwing bridal and baby showers. The times you took Morgan and Kevin places. When Morgan was about one years old and you dropped her off at my house and she climbed on the coach and watched you go crying "No BaBa". You were a protective and proud Aunt and no body could say anything about Morgan or Kevin.

Kevin, Paul, Denise, Morgan, Kevin and Danny I do not even know what to say because my heart is full of sorrow for your loss. Barbara will be deeply missed but our consolation is that now she is in Heaven with Sherry. We all love you very much and are here for you.

Love,

Ed, Kelly, Kourtney and Amanda Sherman
