“ I am so incredibly sorry to hear of his passing. We only met one time at Debbie and Steve's but I so enjoyed talking with him about his love for his children and all the things he liked to do with them. His love for them was so apparent and just written all over his face. Wishing all of you peace as you grieve during this difficult, difficult time.

“ *Our deepest condolences to Penny and family on the loss of Bert. Bert was like one of our own, as he spent much time in our home during his teenage years as a close friend of our daughter Yolanda and our son in law Marc; with memories that continued through their weddings, the birth of their children and their adulthood. A friendship that transcended time. We will miss his smile and sweet demeanor. Always in our hearts, Bert. May you find peace in the arms of the Savior. Ray and Vivien DeSilva*

“ *Bert, I can't even express what your friendship meant to me, and how big of a role you played in my life. You were loved by so many people. I'm so thankful we became friends in 7th grade. You always had my back, always knew what to say, and just brightened my day. The sweetest, most kind hearted guy I've ever met. I'll never forget all the great memories. I'll never forget that smile and that laugh. My whole family loved you and your family treated me as one of their own. I'll always cherish the times we spent together. I love you brother. I'll miss you. Say hi to your father and Bobby for me. RIP to one of the best friends I'll ever have. BIG BERT! ❤️*
