“ *Dear Mary,I am so very sorry to hear of your mother's death. You and I were best friends in another life at St. Ambrose before my parents hauled me off to New England in 1967, just as they were going to let me go to the public high school with Mary Casey and Cindy Cackowski. I don't know if you remember any of the fun we had in Mrs. Dreyher's class, (you and Bill Bradley!), but I hope so. You were going to be in the fashion industry and you were pretty enough to succeed 100%. Your mom always welcomed me with open arms and since my mom was from Scotland, we both lived with accents! I hope your life has been all you wished for....you are very lucky to have had your mom all this time!Mary Ellen (Hughes) Cleve*

“ Dear Shelia, Mary and John and Family My thoughts are with you all at this sad time! My dear aunt Bridie, RIP. A wonderful loving aunt and I loved her very much. Although I did not see her often, it did not feel like that when we met. She had many characteristics of my own mother, loving and so caring. I miss her so, My memories of her will be of very happy times. A special aunt indeed she was! Love Helen Elizabeth Smith Cherry Hinton, Cambridge, UK
