“ *Carmela was my secretary at Reid & Priest for a number of years. She was superb in every way--technically excellent, unflappable, and superbly organized. She always exhibited grace under pressure. Clients and colleagues had nothing but praise for Carmela and her work. Carmela was a great teammate, and I will always be grateful.*

Carmela also was kind not just to me, but to my family. Our condolences to Marco and the extended family.

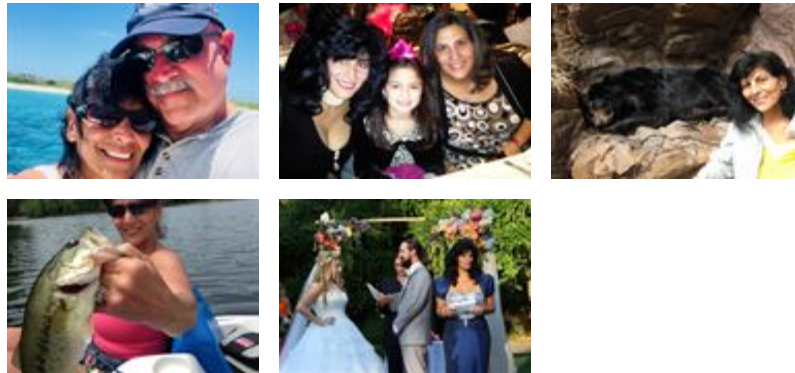

May Carmela's memory be for a blessing.

“ *Carmela Panicali was truly an exceptional woman with a spirit and personality that matched her beautiful face. I have known her a very long time and although we did not see each other often, we made a point of keeping a relationship through phone calls and text messages. We shared our thoughts and feelings, our challenges, the highs and lows of fighting a health battle and we encouraged each other. She was and will always be to me the bravest and most positive woman I have ever met. This world was a better place with Carmela in it but her light and beauty will continue to inspire me and all those who were fortunate enough to know her. My heartfelt sympathy to her loving husband Marco and the entire family. Rest in Peace my dear friend. I will remember you always. With love and gratitude for your friendship, Joyce*
