DO

Thanks be to God who made us as a composite of body and soul. It is the body we put to rest. But, I am assured by the life, death and Resurrection of Jesus Christ that my brother Carmine's soul is very much alive and speaks to us thru his prayers for us and our continued prayers for him.....until such time we shall all meet again, as family, in His Paradise. Carmine, hear my prayers this day that, in spite of it all, I will always love you as Christ loves us. Brother Johnny.
