“ *I have started to write something here at least 7 times and I am having so much trouble putting into words what I feel. All I know is my heart is broken and I will miss my sister terribly. She was a very special lady who loved her family dearly! I do take great comfort knowing that Harry and her are together again and they are with Jesus! She will be forever happy!*

“ There are so many memories just one sticks out. We were going to the Poconos to Paradisr Stream for your anniversary 10th and we had the worst snowstorm ever but we still went no snow tires or chains. You and I ate lobster tails and that was all we ate that night. Both of us got so sick because we ate nothing else. We went back to our rooms and went swimming in our pool in our room with the round beds it was great. Just one of our memories we will miss you so much. Love you!
