“ Uncle Charlie...you were always that, my Uncle - not by blood but by love. You loved me since that day I was born...you held me at Victory Memorial Hospital in Brooklyn, NY when I was only a few hours old.

You taught me about hockey..and your favorite team, the NY Rangers - who o grew to love and became a season ticketholder just like you! I called you on that night that "we won" in June of 1994 from MSG.

You were always my #1 fan - no matter what crap I tried to pull! You always loved me - never EVER forgot a birthday card! I will miss everything about you...especially your laugh!

I love you and will miss you always...I'm so glad and HONORED you were my Uncle! I'll never forget you and how much you mean to me...#1994forever #letsgorangers #jetfuel

“ Charlie,
My patient, my true friend, a soul mate, a purple heart recipient, a hero during war time and throughout his life, always comforting, always kind, selfless and a quintessential gentleman all his life. No words can describe the void I feel in my heart and soul. Rest well dear friend until the day comes when we will celebrate our November birthdays together in heaven. Loving you always,

“ I will miss Charlie. He is one of the best people I have ever met. As our friend Tom said to me the other day, he is the only person I know that has no enemies. I remember the day I received a call from his brother Joey telling me that Charlie was wounded while on patrol in the Korea. What a sad day it was. When he finally was back on US Soil, he was hospitalized at Veterans Hospital at St. Albans NY. A real hero returns home to all his loved ones. After months of treatment he was finally released. It was tough for Charlie, but he made it. He fell in love, and married the love of his life Diane, and what a great marriage and life they had together. Although handicapped due to his injury in Korea it never stopped him from doing what he loved to do in his spare time, play golf, and working with wood. We will miss you, but will never forget you for the person that you were. All those great moments at our club in Bay Ridge, the ball games we attended, and the fun we had at the Jersey Shore.
May you rest in peace.

Diane, remember when Charlie came in the doctors office with his infected toe? You said he was cute. I took up on that, pushed you in the treatment room held the door closed and the rest is history. Everybody loved Charlie. He was the kindest, most considerate man. Always offering to help. He made me a copy of Funny Girl and surprised me with it. Charlie will always be remembered, always loved, always missed. So sorry, our hearts are sad today.

*Dear Diane,
Thanks for sharing your beloved with me when I worked at Latourette. His smile every morning would light up the pro shop and his kind heart made him Superman to all who worked with him. I would always call hm "Charles" and tell him how handsome he was, like my brother Charles, who he has now joined in heaven. You were both a great team and may your life together bring you peace during these difficult days.
Love,
Rita & Joe Calvo*
