“ *Charles, I remember meeting you at the wonderful 1611 holiday dinners in Brooklyn long ago, when I started dating Carol. You knew everything about computers and helped me to select my first one. We still have those neat coffee cups you gave us with Snow's picture on them, a great memory. More recently, you took the trouble to call me often to find out how I was doing with my treatment, and to wish me well. I so much appreciated this. Although Carol and I will miss you greatly, we have many happy memories of you to look back on. Rest in peace dear cousin, and may the Holy Spirit welcome you.*
