“ *Dear John, Karen, Michael & Lily, I am so truly sorry to hear about our beloved Clare. Though we did not have as much contact once she moved to NJ, she remained in my heart and my mind forever. Her courage, determination, endurance and honesty were just a few of the traits I admired about Clare. Her spirit will stay with me forever and I feel very fortunate to have been part of her life. May the beautiful memories you've shared ease your sorrow and may her memory be eternal.*
