

## Conor Hussey

August 7, 1993 - January 13, 2019

Conor Hussey, 25 of Bayville, New Jersey died on Sunday, January 13, 2019

Born Saturday, August 7, 1993 in Edison, New Jersey. Conor lived in Old Bridge prior to moving with his family to Bayville, NJ in 2002.

Loving the beauty in every human being, Conor worked as a license cosmetologist while attending Rutgers University. Graduating with a bachelor's degree in biology, he worked at Jersey Vision Center in Cherry Hill, NJ and dreamed of becoming an ophthalmologist in which he was beginning to pursue.

Conor was a very well-spoken, incredibly sweet, caring, generous, and loving soul who will be missed terribly by all who knew him. Conor was a treasure to be near, have a conversation with, and to listen to his thoughts and dreams. Conor had a strong love for animals and often held photo shoots with the family dogs for fun. To just be in his presence was a gift, we will hold dear to our hearts.

Conor is now with his loving grandparents, Jack and Arlene Reising, Edward and Betty Hussey as well as his cherished uncles, Brian, Kevin and Terrance Hussey.

Conor is survived by his parents Tim and Linda Hussey, his sister Terri, her husband Chris, and their son Jackson, as well as many aunts, uncles, cousins, nieces, and nephews.

The family will receive friends from 3:00 PM to 7:00 PM on Thursday, January 17, 2019, with a prayer service taking place at 6:00 PM, at Michael Hegarty & John Vincent Scalia Home For Funerals and Cremation Service, 3377 US Highway 9, Old Bridge, New Jersey.

“ During Family gatherings, Conor was always right in with the banter, stories and laughter. Always the devils advocate.

*During the troubling times, he would intuitively know what to do to make our pain somewhat bearable.*

*I could hear him saying to me “Can I get anything for you Aunt Patty ?” (In his sweet voice)*

*We were friends, not only family. We trusted each other with our deepest thoughts and feelings. Very open conversations about being Gay, being in love, not being in love - we laughed and cried together.*

*Always a wonderful Hug and words of wisdom. His vocabulary was way over my head sometimes - as a lot of you know about him.*

*I am heartbroken.*

*We all have lost a truly remarkable human being.*

*I can't help but think I might have done something anything, ? reached out more, ? Been more ?*

*He was happy and loved life - this was a horrible mistake that has happened.*

*Heartbreaking to see your family having to go through this. I remember you at age four always asking me to watch Natures Fury with you. I would. You were an exceptionally bright young boy who grew into such a beautiful young man. You were and will forever be loved and missed by your family and friends. As Aunt Patty said this was a mistake. A senseless mistake. Rest Peacefully .*

“ I am so glad that I had you as my passenger while driving to my retirement home in North Carolina this summer. As always, you kept the conversation going and the laughs. You reassured me during torrential rain on our trip. I would have pulled over in fear, if not for you.

I am also thankful for our stop to see my injured mom in the hospital along the way.

Conor, I loved and always will love you like a son. The years have been full with your life joined with ours. Grayson was blessed to have a friend in you. Rest in peace. You will be missed greatly.
