“ Hello. My name is Mark Rudd. I was a childhood friend with Dale for years. We grew up close together in North Judson, Indiana.

We were good buddies in so many ways. We played football together, went to Purdue together, shared dreams, and laughed a lot! Finally life gave us different paths.

I have been trying to locate Dale for years. I am so sorry to find him this way.

I would be happy to fill in those years for you on Dale. His dad and mom were like second folks to me in those pre-high school years. In fact, his dad took a couple of bicycles and welded them together and Dale and I would ride all over in our tandem bike. He was the driver. I was the "muscle" pedaling! haha

Ultimately, Dale and I created a musical group called The Deltas. We both were just starting to play guitar. We had a small amplifier, and we played simple instrument only guitar tunes. We could not afford a microphone. Our first "gig" was a small ice cream stand in North Judson. We played in the parking lot for an hour or two and got about 10 bucks!

Eventually we added Tex as our drummer and Leroy as our bass player and we got pretty good. We began doing intro acts for a number of successful recording bands from nearby Chicago such as The Buckingham, The Cryan Shames, The Five Empees, The Trolls, ... We had quite a local following and had many raucous concerts/dances.

I would be happy to fill in many of Dale's early years. He was and always will be a good friend. You can contact me at
