

Daniel Pugliese

September 25, 1969 - July 17, 2020

Daniel Pugliese, 50 of East Brunswick, New Jersey passed away on Friday, July 17, 2020, at Staten Island University Hospital North in Staten Island, New York.

Born Thursday, September 25, 1969 in Bari, Italy, he was the son of Vincenzo and Philomena Pugliese.

Daniel would live in Italy until the age of 9, when his family would immigrate to the United States. They would settle in Brooklyn. Daniel would attend William E. Grady High School where he would excel in electronic fundamentals. Soon after graduation he would be recognized as a top performer within the electronics community, obtaining job offers from multiple companies. It was then that Daniel decided to begin a long career in the Elevator field. Signing on to work with Millar Elevators, he would remain with the company through many transitions for 32 years, to where it is now as Schindler elevators. Daniel worked hard throughout his life and always believed in having a strong work ethic. In his spare time he enjoyed cars, specifically Cadillac. He was not only an owner, but also a long time member of the Cadillac Club. Daniel was also a proud member of Local 1 I.U.E.C.. He enjoyed spending time with his family, taking his sons fishing and crabbing, and working on cars. He loved his wife and children, and will be missed by all those that his life touched.

Daniel is survived by his beloved wife of 29 years, Stacy (Hauptman), by his loving sons, James and Matthew, by his parents, Vincenzo and Philomena, by his brothers, Josh, Rocco, and Matteo, and by his Uncle Joe and Aunt Gina.
