“ *I met Darryl in 1970 when we were both panel checkers at gm. He introduced me to Scenery Hill where we lived for many years and we car pooled to work with John, Joe Z, and Jack for a long time. He and I remained in the tooling dept. until he moved to Mich. I have not had much contact with the old gm crowd since moving south but will always remember the 'good old days'. Have a good trip and save me a spot at the bench.*

“ To the Hinko Family, My sincerest condolences on the passing of Darryl. We were neighbors in Woodbridge for many years having met later at GM in Linden. We went to Foreman Training Class together. We stayed friends until I retired in 1995 after 31 years of service. We got along as good friends at work. May this and other memories help all of you through this difficult time.
