“ Dear David and Pakula Family, My heart grieves with you. It was an honor to meet and get to know David for the short time I did. I was always impressed with his wisdom, and calm kindness, like an old soul. I send my condolences, prayers and peace to all of you, hence the rainbow picture on the beach where David showed his skill at fishing. Sending Love, Diane (dee, Denise Anza’s sister) 🙏🙏🙏🙏💎💎😊🙏

“ David was one of my son, Damian's, first friends when we moved to NJ. They met in Taekwondo and quickly became good friends. They hung out often and last summer David came with us to my family's beach house on the LI sound. They spent hours on the beach- swimming, diving off rocks, skimming stones. One of my neighbors was fishing and very generous with his time and fishing rods. David caught a porgie and we cooked it for dinner! ❤️🐟

David was my student this year in Religious Education. David was full of life and had a lot of friends. I also noticed how he was a good older brother to his younger brother who is also in Religious Education. I am so sorry to hear about his passing and my prayers are with you and your family.

*I was David's classmate, he was my best friend and we talked all the time. He is greatly missed through the middle school. Sadly, I won't be able to attend the service but will be watching online.
