“ I’m David Miller, former colleague of Demetrios for many, many years at BNY Mellon, Bank of NY, and Irving Trust Company. He was a solid part of our team, always doing his part, and always friendly and helpful. In short, the ideal person to work with. I am saddened to know that he is now gone. I, as you, have many fond memories of Demetrios as just a great guy. I wish you all comfort from your sorrow, and only good things in your family in the years to come.
