“ My sincere condolences to Dianna's family, friends, and the students and staff at P.S.56. Dianna DeRose was such a very thoughtful and caring person. She was always there to help me and anyone who needed her. It was such a great pleasure knowing her and working under her. She was a devoted administrator and she loved working at P.S.56. She loved her family so much as well as all the students at P.S.56. We all missed Dianna when she retired but, I was happy that she could have more time to spend with her family that she so loved. May she rest in peace. Love, Ava Horowitz
