“ Dee was my greatest inspiration, my most loyal supporter and loved my family unconditionally. She was the most courageous woman I have ever met. Even when she was going through the most horrendous pain, she always managed to think of others first. A smiley face card in the mail, Valentine's Day gifts for my kids or just a simple text...she was always there! Aunt Dee will be dearly missed but forever cherished!

“ *My favorite memory of Dee is when I was Jay's school bus driver for Cheesequake school and she would put him on the bus and take him off in the afternoon. I loved seeing her and Vinny, they were always so nice and friendly. She was always so sweet and always had a smile on her face. She will be missed. Love Teresa*
