“ I only met Dorothy in the past few years but she was a warm person who was kind. She was known for her meticulous craftsman ship. She made me a beautiful blanket for my daughter’s birth last year. Always talked about her kids whom she loves dearly. Prayers for your family during this difficult time ❤️
She will be missed!

“ Many fond memories of Laurence Harbor and the fun we had with your mom. From sitting around and drinking coffee with her, to driving her crazy blasting the music! I remember her and her obsession with bingo, we could never understand...LOL. I still have the beautiful yellow and white blanket she crocheted for me as a teenager. You guys dealt with a lot, but you got through it all together. You and your family are in my thoughts and prayers.
