We only met a few times at car shows, but you left a lasting memory with me. Bob Ward

Ed you have been a part of my life for the last four years. As you always said "Your partner". We talked every morning on my way to work, we talked every night before we went to sleep. Now it all seems so empty. We loved, we laughed, we cried and shared many precious moments together. You are the most generous giving person I ever met. You were so kind to my family and always there for me. Your love for me will be missed. I just wish you were here for me to tell you one more time. Goodbye my love. Shirl
