“ *Dear Sapp family, My thoughts and prayers are with you and was sorry to hear about Mr. Sapp's passing. I will never forget our annual golf trips to some of greatest courses in the world with his son Ed and Brian Savage. We had a blast!! One of the highlights was playing TPC Sawgrass in a Nor'Easter. Mr. Sapp was extremely generous offering me work right out of college and hosting many rounds of golf at Forsgate. Will never forget our friendship and golf companionship. Rest in peace. “ Dear Agnes and family, Doug and I want to send you our love and sympathy. God bless you and give you His Peace at this time. I want to add to all the wonderful memories that family and friends have sent in to honor and remember a very dear and special person. One of my fondest memories of you and Ed is when you were dating. I was around ten and visiting Aunt Helen and Uncle Joe's home in Rockaway with my parents. You both were downstairs playing a card game, I think and I felt very special to be with both of you. You were laughing and having such a good time and being so very much in love! I remember thinking how romantic it was and that you two were the happiest couple I had ever seen! I remember your December wedding and you looking beautiful in your white satin gown and all your sisters(my cousins) and friends looking lovely in their varied colored velvet gowns and matching hats. Ed will always be remembered with much love and admiration as he made everyone who knew him feel special and cared for. When I think of him I just see that fabulous warm smile and those sparkling eyes- so full of life and joy!

“ We were very sorry to hear about Ed's passing. Ed and Don took me under their wings when I first moved into the Arbor's and immediately became the fourth in their golf group. Ed also invited me to play on his senior basketball team. Not to leave out the wonderful Thunder Shower Invitational Golf Tournaments. Ed was truly a special person. God's graces to you all in this sad time. John & Diane

“ My thoughts and prayers go out to the Sapp family for your loss. I first met Mr. Sapp playing basketball in Old Bridge back in the 1980's and he had one heck of a hook shot. Then I was fortunate enough to play many rounds of golf with the three generations of the Sapp's, Ed Sr., Ed Jr., and Justin and we always had a great time even in the winter months! RIP Senior, you will be missed but I know you are on the first tee in Heaven!
