“ *My deepest sympathy for the loss of your dear mother and grandmother. I met Eileen at one of the Marlboro Rec Center's bus trips and we became good friends. We did so many things together, movies, lunches and dinners out, many Rec Center bus trips and other bus trips to the Sight and Sound theater, Broadway shoes. We played Mah Jong every week. In a short time, we became very good friends. During the Covid virus, we mainly spoke on the telephone, at least three or four times a week, but I did see her from time to time.*

She had a great sense of humor and was so much fun to be with. I already miss her so much, and as days go on I know the loss of her friendship will be even more difficult.

So sorry for the family's loss of a great and unique loving woman. Her family was everything to her. My heart is so heavy with sadness.

“ There are no words that can express the sorrow we feel for the family . I had the privilege of living across the street from Eileen and Melissa and Joe for the past 17 years... I would always see Eileen waiting with a smile on her face to start whatever the day had planned for her. We would share conversations every time and discuss always what we thought were the best hair salons and restaurants , and of course, speak about our hometown of Brooklyn... I will miss seeing you Eileen..

With sincere condolences,
Bonnie and Scott and Family
