“ There are no words to describe how sad I am to learn of Eileen's passing. I have known her since I was a little girl and she was like an aunt to me growing up in many ways. She was so full of life and very talented. She took my favorite picture to this day of my mother and I together over 30 years ago - no professional photographer could have ever matched her talent. I have so many wonderful memories of Eileen which I will always cherish. She will be missed by many, but she will never be forgotten. My thoughts and prayers are with her family during this sad and difficult time. May you find comfort in the wonderful memories you shared together as a family. May she rest in peace. With love and deepest sympathy, The Chiego Family
