“ Kathleen, so sorry can't cover what I feel for you and your family right now. But this quote helps me cope for my lost loved ones.

When you are sorrowful look again in your heart, and you shall see that in truth you are weeping for that which has been your delight. ~Khalil Gibran

May it comfort you always, Love Nick Flores.

“ Dear Kathleen and family. We are so very sorry about Elia. I just spoke with him a couple of weeks ago and have been thinking of all the times we used to go play basketball at the beach together. At Christmas dinner, I told my cousin Ray that I had been thinking of Charlie a lot lately, I'm sure he is welcoming his big brother into heaven. Wonderful memories about a great friend. Our deepest condolences and prayers for you and your family.
