“ *My beautiful, sweet, loving, selfless, giving, caring, wonderful AMAZING Aunt, I can't believe you left us so soon. The world is darker without your radiant light but your memories will live forever in the hearts of all those you have touched with your love and life. Thank you for being there for me when I felt like I had no one to turn to. You always had a kind word of support and always reminded me how much I was loved. There was no one like you and there never will be. You were the cornerstone of our family even though you thought you hardly mattered, especially to the people you loved most. There will never be another holiday, birthday or family gathering that will ever feel the same without you. My only consolation is that you are now a real angel who will always be watching over me, free from the stress and strife of this life, happy and at peace. I love you Aunt Prunney. Till we meet again, I will keep you close at heart. Thank you for everything....*
Love eternally, Dolores

“ *I am so sorry for your loss. I have fond memories of Prunney from many family gatherings. I remember spending time talking at my grandmother's (Lucia Monaco) house in Queens over coffee and pastries. I also remember visiting her at her house in Brooklyn that I thought was just the coolest. I will never forget her generosity of heart and spirit. She was sweet and nice and always had a kind word. - Roxanne Castelli*
