

Felix Humberto Rodriguez Vargas

November 17, 1967 - May 6, 2020

Felix Humberto Rodriguez Vargas, devoted son, uncle and caregiver to his many patients, passed away on Wednesday, May 6, 2020 in Freehold, NJ. He was 52 years old.

Born November 17, 1967 in Mayagüez, Puerto Rico, one of the island's most-treasured and historical cities on the west coast, Felix was the youngest of three children. Shortly after his birth and alongside his mother and two older sisters, Felix would later call Hoboken, NJ his home and graduate as part of Hoboken High School's Class of 1985. He was also a proud alumnus of William Paterson University and an accredited NYU Graduate Student.

In the words of his family and friends, to know Felix was to love him. He embodied a kindhearted nature and strong desire for helping others which inevitably led him to become an impactful social worker for over 25 years at St. Joseph's Hospital in Paterson, NJ. Through his infectious laugh and unfiltered sense of humor to selfless acts of generosity and compassion for others, Felix's spirit was always known to spark life into those around him.

With a "what will be, will be" persona, Felix enjoyably lived on the cusp of spontaneity and yearned to travel as much as possible. He also had a fondness for singing, dancing, cooking and baking. But more importantly, he committed his life to be a proud and doting uncle to his nieces and nephews.

He is survived by his sister, Rosa Elvira Diaz and brother-in-law, George Luis Diaz Jr.; his sister, Annie Grillo and brother-in-law, Robert Grillo; his nieces, Geanna and Alexandria; his nephews, Gabriel and Christian, and a multitude of others who loved him dearly.

A private service will be held at Michael Hegarty & John Vincent Scalia Home for Funerals in Old Bridge, NJ in accordance with COVID-19 federal restrictions on public gatherings.

“ I am sincerely sorry to hear of the passing of Felix. He was not only a colleague at St. Joseph's Hospital, but also a friend. I will remember him as always having a smile on his face and being extremely friendly, welcoming and kind. We would meet up from time to time for coffee or lunch and have meaningful conversations about various topics. He was there for me during a very difficult period in my life and I will forever be grateful for his moral support and guidance. Rest in peace.

“ My deepest condolences to your family. Felix was a colleague at St Joseph’s for over 10 years . He was kind and yet expected his patients to do their part to get better. When the hospital switched to computerized records he came in on Saturdays and Sundays to help me learn a new system. I was a poor student. Felix was kind and expected me to learn despite my excuses. Somehow his perseverance won . I will carry memories of him always. Harold

“ *Felix, my dear friend and colleague, I am grateful to your family for giving us a person that brought so much laughter, comfort and joy to others. I will always treasure our long drives and great conversations, adventures in the city--especially in search of good seafood, that deep sarcastic belly laugh that ALWAYS meant you had a good story to tell, our work family at the MHC, and serving our patients. There are few people that I have met that are so naturally and unselfishly dedicated to serving others. You have been a role model for us and truly an outstanding human being to have known. God bless you and Thank you.*

“ *Our Dear Felix,
We can go and on about how much we love you and how much you are already missed and will continue to be missed.
Thank you for the memories you left behind from going to the pool and pretending you were peeing with the water spout, to filling our fridge and counter with food, taste testing with each other's plates at whichever restaurant we went to, deep conversations at 1 in the morning to waking up to you making us breakfast when we last saw you in March.
Your infectious laugh will ALWAYS be with us.
Forever in our hearts 💙💙💛
We love you lots,
Junior and Tricia*
