“ *Dear Conti Family,*

It is with great sadness that I learned of the death of your husband, father, grandfather and great grandfather, my wonderful long-time next door neighbor and barber, Frank J. Conti. As the obituary noted he was incredibly talented at building whatever was needed. I always referred to Frank as Mr. Conti and it feels proper to continue to do so.

As you may remember for many years I would come to your house and Mr. Conti would cut my hair. Even though I was only a boy, Mr. Conti would speak with me as if I was an adult. He had so much respect for people. To me he was always a kind and gentle man, a wonderful person with a soft touch. Most young boys don't like to go to the barber, but with your father and husband I always looked forward to our haircut sessions.

Every day it seemed that I saw him in his garden. How he loved that garden! And he was so good as tending it. He made a small plot of land look like a 10 acre estate. He had many talents. Those of us who knew him will forever remember his kindness. I will always remember him fondly.

*Sincerely,
Lew Bender
