“ I know it's a year late, but I want to extend my sincere condolences to Frankie's family. I worked with him on my last project before my current job, and just this evening I stumbled upon an email where I had asked for his recommendation for me for the place I still work now, fifteen years later! I googled his name and with great sadness found his obituary. I worked on a project for Argo for only a few months, but I loved the guys there and remember them with such fondness. His email was in all caps, and I could just hear him saying the words like the proper New Yorker he was. He was a very special person and I'm very sorry for the family's loss.

“ *I had the distinct pleasure and honor to call Frankie my friend over this many years since we met as teenagers in the Fillmore area , many wild times many laughs many WWF style wrestling matches in the high school cafeteria or on the corner hanging out just causing harmless havoc , It was great seeing him and Barb again a couple of times over the last year a truly great guy who will be sorely missed by all that knew him . God Bless you Buddy*

“ I just received the sad news about Frank D'Onofrio. I have no direct contact with the family, but if you have the opportunity to hear or meet them, I kindly ask you to offer my personal condolences. I met him when I joined Argo in 2000 and I worked with him until he was present in Argo. He was a colleague and a friend. An hug. Maria Grazia Bassani
