“ *I love and think of you all the time! I think how unfair it is you're missing this or that you don't get to be here to see this or that and it's really heartbreaking. I think about you every day and always well and well forever and always. Love you. I know you're resting in peace. That's what makes this somewhat OK. We can't help but be selfish, those left behind, we just miss you so much. Happy heavenly Thanksgiving my dear best friend forever 🍁☐🍁*
