“ My Daddy was one of the most important people in my life and it will not be the same without him.. Our relationship was easy, special and unspoken. Being around him made me happy and smile. I have all of the wonderful memories and have no regrets of the time we spent together. I will raise my children by what you have taught me and there will never be a day that goes by without a thought about you, us together as a family. Until we meet again Daddy rest peacefully knowing that Mommy will be taken care of.
