“ *Dear Frank, Gina and family, I am so sad to hear of Geri's passing and unfortunately learned this too late to attend her services. I will always remember her lively personality, great sense of humor and loving heart. She was a great lady. My prayers are with all of you.*

“ *When I think about all the times we piled into the kitchen for pasta! All the times we got in trouble and all the great laughs we shared I can't help but think how glad I am that you were a part of my life. I will miss you.*
