“ I have so many great memories of my Brother inlaw but the I will always remember as a funny was when Dawn, Glenn and I were going to bingo and we walked out our front door and Glenn fell to the ground, rolling around and Dawn looked down at him and said " Glenn get up, the neighbors will see you". Little did we know he was in pain because he had a kidney stone .

So loved and missed. He always had a way to make you laugh. He was an amazing Uncle to my children, especially my son they had such a connection. I can go on and on with so many memories. You were such a wonderful husband to my sister, you two had such a special love for each other. A great dad to Hayley and Glenn. And such a special love for you grandchildren, even though you left them way to soon. They will know you from all the stories they will hear about you as they grow up. You will always have a place in my heart Glenn. Rest In Peace my dear brother-in-law 🙏 Love you
