“ *She was such a loving woman to her family and always very friendly to others. She did an amazing job raising her kids and such a loving grandma. She will indeed be missed. My heart and prayers are with her family. I send my love to all of them especially my dear friends Marni & Janice and their beautiful family.*

“ *I never met Harriet, but I've known her daughter Marni for many years, and if Harriet was anything like Marni, then she was a fabulous woman! My heart aches for the family, especially the kids. I pray that the Lord will give the family peace at this time. God speed!*

“ *Harriet, my friend of many years, I will forever miss you and the good times had. Our children grew up together and they remain a part of our family to this day. Marni and Shelby were inseparable. I am so glad I was able to come up to Jersey for your 80th birthday. I loved play "words with friends" on the computer with you. You were a real challenge with that IQ of yours. You taught me a lot of new words...the one I remember most is "fez". Thanks, it's come in handy. Rest in peace my friend..love ya*

“ My deepest condolences to the family of my cousin Harriet Schneider Kaiser. Harriet, Joan and I were great friends in the '50s and '60s....we would go to Manhattan, dances, once we even spent a weekend in Atlantic City ..before the casinos.. I spent many sleepovers after evenings out together. We had lots of fun and Aunt Jenny's breakfasts were very good.

Somehow we lost touch as we married and raised families although we managed the occasional phone call. I shall miss her. May she rest in peace.
