DO

“Helen was kind nurturing and loving. She went above and beyond caring for those she loved. She treated my father (Joe) with the utmost of respect and adoration.

*It's true I couldn't have gone through a lot with my father without her. She never allowed any challenge to hold her back She wouldn't take no for an answer and if she had made her mind up -you best let her be. That's what I loved about her. She stood for everything she believed in.*

*She was genuine.*

*You could often find her gushing about her grandchildren her great grandchildren and of course her children.*

*I love you Helen- you were one of a kind- thank you for taking such great care of Daddy and thank you for being you. You were so good to us all.*

*I'll miss our talks*

*Dolores*
