“ Ralph, Christopher, Matthew, Jonathan, Our thoughts and prayers are with you all today... Jackie was a dedicated mom and nurse and their are not many more meaningful gifts one can give of themselves than to care for people who are ill. Many families are forever grateful for the care she provided them. She was always very clear that her family was the most important thing in her life, she was so very proud of you all, and you should all feel very proud of how you cared for her through her difficult days. Much love and appreciation Cousin Janice
